

Hartpury Men's Football

MSc Performance Analysis Studentship Opportunity

Hartpury Men's Football Programme are looking for a performance analyst to join their FA National League System team, Hartpury FC for the upcoming 2025-26 season

The Postgraduate Studentship offers a part-funded (£3000) place on Hartpury University's MSc Applied Performance Analysis in Sport degree whilst undertaking a year-long placement with Hartpury FC. This is a fantastic opportunity to combine studying a postgraduate degree at one of the top sporting universities in the UK whilst also gaining real world experience in a high- performance football environment. This Studentship can be over one or two years.

Studentship responsibilities will include the following:

- The placement is a minimum of 10 hours per week
- The placement will require you to start in pre-season (July) through to the end of the season (May)
- Filming and coding of both training sessions and matches, home and away
- Delivery of individual, unit and team-based analysis sessions
- Managing the creation and development of individual player/team clip library on HUDL
- Contributing to projects and reports to the Performance Analysis department
- Regular communication and engagement with FC Head Coach in ensuring the smooth running of analysis provision at the club
- Completing your postgraduate research project alongside our university strategic direction with the aim of actively contributing to our evolving postgraduate research and knowledge exchange community and impacting our applied Sports Academy provision

Person Specification

Essential

- A 2.1 undergraduate degree in related field (although this is open to discussion based on application)
- A positive work ethics and a willingness to learn
- Strong interpersonal and communication skills
- Trustworthy and reliable

Desirable

- Experience using performance analysis equipment such as filming football matches and confident working with technology e.g. HUDL/HUDL Sportscore
- Familiarity with performance analysis software
- Sound knowledge of football
- UEFA Coaching qualifications

Studentship benefits

- Part-funded tuition on the MSc Applied Performance Analysis in Sport degree
- Involved with performance analysis in one of the most successful educational football programmes in the UK
- Access to world-class facilities and equipment which includes HUDL Sportscore, HUDL Studio, NacSport, Veo and IP Cameras to aid in your development as a performance analyst
- Opportunity to network with professional and semi-professional clubs, players and coaches both nationally and internationally
- Access to HUDL's online video analysis platform and your own work Macbook (for the duration of your studentship)
- Gym membership for the Sports Academy, staff kit and free parking
- Membership to our PG Studentship Group who meet regularly for CPD, sharing of good practice and reflection sessions

At Hartpury, we firmly believe you can achieve academically whilst performing within our sports academies. In ensuring that all MSc Studentship recipients achieve their academic potential, all students are required to adhere to academic regulations and meet the expectations set out in our Hartpury University Academy Scholarship document. Such expectations include attendance, engagement, application, values, behaviour (on and off campus) and athletic performance.
